

Liturgy Committee Report  
Annual General Meeting  
May 15, 2016

The Liturgy committee works together with the pastor and parish administration to enhance the worship experience of the parish community. Celebrations are planned so as to lead, and encourage parishioners to actively participate in the liturgical life of the parish.

The Liturgy committee will have met four times between September, 2015 and May, 2016. During these meetings ministry representatives, along with the pastor, discussed the planning, execution, and review of all the liturgies that took place during the year.

Planning for special liturgies and services for the 2016 – 2017 year will be started at the May 18, 2016 meeting.

In keeping with the goals for liturgy as set out in the Parish Vision and Goals statement:

- *“To provide opportunities to teach, learn, and love our faith more fully.”*
- *“Providing forms of prayer and devotional practices to renew the spirit.”*

Regular, daily, and special services are scheduled throughout the year to provide parishioners with opportunities for prayer and devotional practices.

Respectfully submitted,

Shannon Hryhoryshen  
Chair, St. Joseph the Worker Parish Liturgy Committee
